

Did You Know?

You can access the CONNECTIONS Intranet page if you use SSL-VPN to reach CONNECTIONS!

A variety of CONNECTIONS resource materials are available on the OCFS CONNECTIONS intranet site (<http://ocfs.state.nyenet/connect/>). The intranet site contains a wealth of information related to various aspects of CONNECTIONS, including News for Users, Step-by-Step Guides, Job Aids, Tip Sheets, Release Notes (a complete list of the modifications, enhancements, fixes and impacts in each Build), Frequently Asked Questions (FAQs) and archived editions of the CONNECTIONS Weekly.

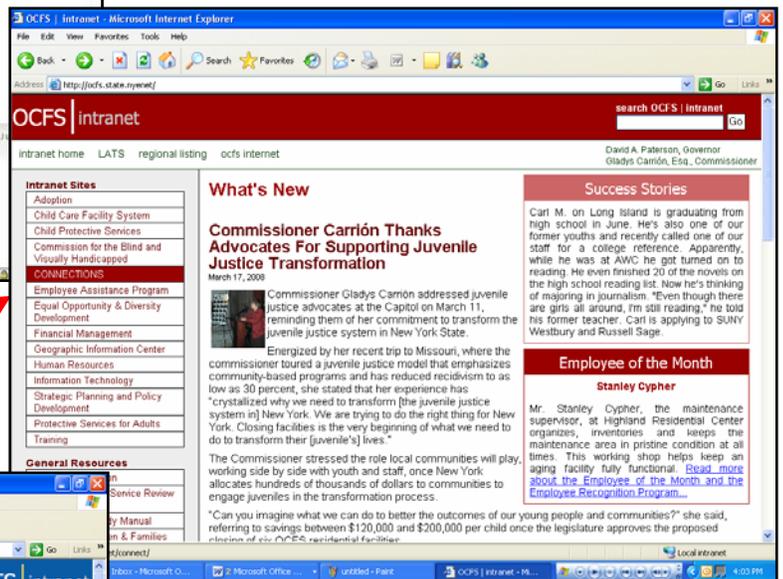

2. Click on the **CONNECTIONS** link in the sidebar.
The CONNECTIONS Intranet home page displays.

Accessing the OCFS CONNECTIONS Intranet Site

1. From the OFT Welcome page, double-click on the <http://ocfs.state.nyenet/> link.
The OCFS Intranet page displays

3. Click on a topic in the left sidebar to access information.
 - For access to various Step-by-Step Guides and Job Aids, click on the Step-by-Step/Job Aids/Tips link.
 - For access to Release Notes for a Build, click on the Implementation link.
