

Domestic Violence Regulations Review
Guideposts for sub-committee work

- It's not what you bring, it's what we all take away
- attend to ends and means, outcomes and process
- consider how you'll come to agreement, and what to do when you can't
- remember those who have to put your ideas and agreements into action
- care in use of facts and data; they can help and harm
- attend to the intersections with other systems
