

Here's what you can do w/ your MiFi 2200 device in the field:

- Access Internet Explorer to use for *Connections* directly via:
 - ✓ <https://connections.ocfs.ny.gov/Citrix/XenAppExt/auth/login.aspx>
- Check your e-mail Webmail account via:
 - ✓ <https://mail.nysemail.nyenet/owa/>
- Access the OCFS Internet and Intranet sites:
 - ✓ <http://www.ocfs.state.ny.us/main/>
- Complete work in *Connections* (e.g., enter Progress Notes).
- Use *Dragon Naturally Speaking* to enter information directly into *Connections*.
- Save time by completing work in the field avoiding unnecessary travel hassles.
- Update your calendar.
- Schedule appointments.
- Access *MapQuest* for directions:
 - ✓ <http://www.mapquest.com/>
- Check the weather:
 - ✓ <http://forecast.weather.gov/>
- Check road and traffic conditions:
 - ✓ <http://www.511ny.org/> **or**
 - ✓ <http://www.traffic.com/New-York-Traffic/New-York-Traffic-Reports.html>
