Transmittal No: 90 LCM-182

Date: November 8, 1990

Division: Income Maintenance

TO: Local District Commissioners

SUBJECT: Revised SDX (SSI) Instructions

ATTACHMENTS: Attachment - POMS SI 02601 (August 1989) - not available  
on-line.

The enclosed federal Program Operations Manual System (POMS) updates the State Data Exchange (SDX) instructions on SSI applicants/ recipients. To increase readability and understanding of the POMS instructions, sections have been updated, deleted and reorganized to group related information.

New York State receives the Option 3 SDX record via daily transmissions and quarterly reconciliation files from SSA. Meanings of the various SDX fields are described in section 02601.305, SDX Data Element Description.

The Social Security Administration has provided us with a limited supply of these POMS. Therefore we are only able to provide local districts with one copy of the POMS. We recommend that you copy and distribute those sections that may be useful to your staff, section 02601.305 - SDX Data Element Description and the Option 3 listing in section 02601.310.

If you need any additional information regarding the SDX, please call 1-800-342-3715 and:

for SSI or IAR	- Charles Giambalvo extension 4-3231 or Abe Anolik extension 4-7218
for Food Stamps	- Your Food Stamp County Representative, extension 4-9225
for Medical Assistance	- Kenneth Merkelbach, extension 3-5319
