DSS-4037EL (Rev. 9/89)

Transmittal No: 91 LCM-55

Date: April 5, 1991

Division: Commissioner's
Office

TO: Local District Commissioners

SUBJECT: Reorganization of the Department

ATTACHMENTS: None

This memorandum is to inform you of the recent Department reorganization which reassigned various functions of the former Division of Operations to other divisions within the Department. The following specific changes have been made:

1. The Office of Medicaid Management Information System (MMIS) Centralized Operations, including MMIS, Third Party Resources (TPR) and the Electronic Medicaid Eligibility Verification System (EMEVS), is now a part of the Division of Medical Assistance.
2. The Office of Child Support Enforcement is now assigned to the Division of Administration.
3. Lastly, the Equipment Loan Fund, which provides disabled recipients with the means to purchase equipment related to their disability (such as a wheelchair ramp), is now assigned to the Division of Administration, Office of Financial Management.

As these functions are fully integrated into the divisions noted above, you will receive additional information, including revised organizational charts. If you have any questions regarding this reorganization, please contact Brian Wing at 1-800-342-3715, ext. 4-4152.
