Transmittal No: 91 LCM-56

Date: April 11, 1991

Division: Family and Children
Services

TO: Local District Commissioners

SUBJECT: Governors Task Force on Rape and Sexual Assault Report

ATTACHMENTS: Executive Summary of Final Report
(Not Available On-Line)

The enclosed summary report is the culmination of months of efforts by a statewide task force of professionals selected for their expertise in working with victims of rape, sexual assault, child sexual abuse and/or with sex offenders. The task force recommendations are extensive and multi-faceted. It is clear from this report that interagency collaborative efforts are essential in addressing all forms of sexual victimization.

The regional office staff will be distributing copies of the full report to your Director of Services. For further information regarding the report's recommendations, or for technical assistance in developing a multidisciplinary response to child sexual abuse cases, please contact Tom Hess at 1-800-342-3715, extension 3-8001 or Nancy Baker at extension 3-6445.
