| LOCAL COMMISSIONERS MEMORANDUM |  
+-----+

Transmittal No: 91 LCM-71

Date: April 26, 1991

Division: Medical Assistance

TO: Local District Commissioners

SUBJECT: Discontinuance of the Medical Assistance Core Curriculum  
(MACC)

ATTACHMENTS: None

Due to the ever changing demands placed on the Division of Medical Assistance and the training staff at the State University College at Buffalo, it has been increasingly difficult to update the Medical Assistance Core Curriculum (MACC). Because of increased needs for advanced training in Medical Assistance policy, the Office of Human Resources Development has discontinued the funding for the MACC.

In its place, the New Worker Institute and the Medical Assistance Reference Guide (MARG) are available. Districts may adapt the MACC for local use, but the Department will no longer be able to update or reprint it.
