The attached brochure provides basic information about the Jobs for the New, New York Bond Act. If approved by the voters on election day, this proposal would fund matching grants to finance infrastructure improvement projects and would create thousands of new jobs across the state.

It is important for all the citizens of the state to have information about this proposal and to be aware that it is on the ballot this November. I am asking that you make this information available to clients in your waiting room during the month of October and first week of November. A supply of brochures and an informational poster will be shipped to you shortly for this purpose.

If you have any questions regarding this memorandum or need additional copies of the Jobs for the New, New York pamphlet, please contact Brian Wing at 518-474-4152.
