*- IN CARE numbers include only youth in "Active" (04) status.

NOTE - Numbers may differ from those that appear on other routine reports distributed by OCFS either because they are taken from the database on different dates or because the definition of a term differs.

The following revisions were made effective as of Q1 2015: (a) Race/Ethnicity is that from Connections (previously from CCRS); (b) new placement category "Foster Adoptive Homes" (a subset of data previously reported as Foster Boarding Homes) has been added to reflect a system change in Connections; and (c) methodology for PINS/JDs In Care calculation has been improved.
